Mataco SI7
Choroti SK6

M /320 cont./

771 They have a vague idea of superior beings, whom they fear
776 without worshiping them; the cleverest one becomes the sorcerer
756 and exploits the poverty of his companions, especially today when
648 they are earning money from the whites, to whom they lend im-
464 portant services.

M They frequently move from the region that they occupy to
169 the Argentine Republic; they work, dress, learn some Spanish
177 and a slight smattering of civilization, and return to their lands to live as before.

Choroti

Ci
131 The zone located southeast of Toba territory is occupied
197 by the Choroti Indians, who have their own language. They occupy the geographic degree 22° 30' latitude and 64° 10' longitude, on the left bank of the Pilcomayo River.

Ci They are quite numerous and peaceful, and they are not
181 treacherous like their neighbors, the Toba. Nevertheless, they
648 inspire respect in all the neighboring tribes; if a mission were to be established at said degree, the conquest of all the Bolivian territory /321/ up to 24° would be accomplished without the need of so many small forts, which are such a great expense to the Nation and which do not create centers of trade and civilization.

Ci Father Gianelli in years past visited the Choroti Indians,
●797 was received with displays of affection and appreciation, and
177 found among them good inclinations toward becoming civilized, but at that time the harvest was too much for so few evangelical workers.

Ci The Choroti are not so lazy and savage as the other tribes;
181 they devote themselves to the cultivation of a few seeds and to
241 the raising of cattle, although on a small scale. They are also
231 hunters, however, and when they occupy the banks of the
224 Pilcomayo, they take advantage of the fruits the river brings them, especially in the great floods.
